OFMP Phase II Design Workshop
7 May, 2010
Honiara, Solomon Islands
Country Visits

- Cook Islands
- Kiribati
- Marshall Islands
- Nauru
- Niue
- Palau
- Tokelau*
- Tuvalu*

*Due to time constraints, visits to Tokelau and Tuvalu were not possible.
Purpose of Country Visits

To seek information on:

- Implications of the WCPF Convention
- Assistance in implementing Convention
- Actions taken with respect to Convention
- Co-financing/incremental costs of incremental actions during OFMP I and II
Main Outcomes

- Increased national capacity
  - Greater need for national focus
- Observers high priority
  - Trained national observers, trainers, debriefers
- Information Management
  - TUFMAN, data coordination, management and analysis
Main Outcomes (continued)

- Science capacity building
  - Analysis, interpretation, personnel
- Maritime Boundary Delimitation
- Increasing costs, both financial and opportunity, of participation in Commission and related meetings
- Increasing focus on sub-regional activities
Any others?

It’s not too late…
