>> Exhibition Area / Booth 8

Session Programme:

Non-Revenue Water: Strategies for Capacity-Building for Water and Sanitation

This technical session, co-convened by UNW-DPC and UN-Habitat / GWOPA, will highlight the role of capacity development, and notably of utilities' peer support (through Water Operator Partnerships), for developing appropriate approaches for sustainable, economic and efficient water supply systems. This session will place emphasis on the role of water utilities in promoting water efficiency.

TIME	SPEAKER	ORGANIZATION	TOPIC
12:15 – 12:20	Sylvain Usher	Secretary General, African Water Association / AfWA (Abidjan, Ivory Coast)	Welcoming remarks and presentation of the session
